

IDENTITY THEFT CAN DERAIL LIFE'S GREATEST MOMENTS

WE'LL KEEP YOU ON
TRACK THROUGH A
LIFETIME OF RISK

LifeStages™ Identity Management Services

From getting married and buying a home to raising children to retiring, practically every key moment in your life opens up new exposure points and opportunities for identity thieves and fraudsters. But you already have too much to think about, and the constant phone calls and paperwork involved in recovering from identity theft can be overwhelming.

Your **FREE LifeStages identity management services** from Motorists Insurance Group keep pace with emerging identity threats across all stages of your life, thanks to CyberScout, the nation's premier provider of identity services.

If you ever find yourself faced with identity theft worries, you and your family* can get help from a dedicated CyberScout fraud specialist whose support goes far beyond do-it-yourself kit resolution. The specialist will handle the recovery process behind the scenes by placing fraud alerts, calling creditors and sticking with you or as long as it takes to restore your good name and peace of mind. This complimentary policyholder benefit, which is available 24/7, is our way of saying thanks for including us in your insurance services family.

**Identity protection services are available to a spouse and/or immediate family members who live in the household. Please note, services are not available in some states.*
